LIBRARIES OF MANHATTAN

NEW YORK PUBLIC LIBRARY • MORGAN LIBRARY & MUSEUM

SATURDAY, JUNE 9, 2018

Your day will be spent inside some of the most breathtakingly beautiful architectural buildings in NYC.

Begin your day in NYC for lunch (on own) at the **Grand Central Terminal** food court—remember to look up at the beautiful ceiling!

Afternoon at the **New York Public Library** for a **guided tour** of the history & architecture of this landmark building flanked by the 2 lions - Patience & Fortitude. There are many beautiful spaces within but perhaps the most spectacular is the Rose Main Reading Room. After a year-long renovation that spiffed up the enormous research room—which is about as long as two city blocks—its plaster rosettes, celestial mural, and ornate chandeliers are more glorious than ever.

Next will be a self-guided visit of **The Morgan Library** which began as the private library of financier Pierpont Morgan, one of the preeminent collectors & cultural benefactors in the US. The complex consists of J.P. Morgan's exquisite library, refurbished in 2010, along with the splendid, marble-covered rotunda, a red-paneled study, and other glorious rooms.

This trip includes a Friendship Tours Tour Director for the day to assist in maneuvering your way through NYC! This trip requires a moderate level of walking. The libraries and Grand Central are large buildings.
