**Sunday, April 17, 2016**

At long last, the **9/11 Memorial Museum** has opened. The museum's 110,000 square feet is located in the archaeological heart of the World Trade Center site.

**The Museum:** The National September 11 Memorial & Museum is the country's principal institution concerned with exploring the implications of the events of 9/11, documenting the impact of those events and exploring 9/11's continuing significance. Multimedia displays, artifacts and narratives commemorate the lives of each & every victim of both the 2001 & 1993 attacks.

**The Memorial:** The names of every person who died in the terrorist attacks are inscribed in bronze around the twin memorial pools.

Prior to our visit to The Museum we'll spend time in **Little Italy**. Shop for wonderful Italian delicacies, cheeses and pastries. Have lunch at one of the delicious eateries.
