Grab your poodle skirt, saddle shoes and the kids, and take a rock & roll trip down memory lane! This new Musical is based on the television series and written by its creator, Garry Marshall. When Arnold's, the town's number one hangout and malt shop, is in danger of being torn down, Richie, Potsie, Arthur "The Fonz" Fonzarelli and the rest of the gang team up to save it with a dance contest. A bright and funny musical celebration of nostalgia with lots of Singing & Dancing! **If you like *Grease* you will love *Happy Days*.** It features 21 songs by Oscar, Grammy and Golden Globe award winning songwriter Paul Williams, including the series' theme song.
