Upcoming Classes & Games

- On Tuesday, January 5th at 10:00am, we will begin an 8 Week Advanced Creative Drawing Class taught by Sharon Schmiedel. Sharon has a BFA in painting from the Maryland Institute College of Art and spent many years working in technical illustration, medical illustration, and graphic design. Now she is spending much of her time painting and entering numerous juried shows. She enjoys teaching and sharing her knowledge of art with others. Students who didn't take the first session but have some drawing experience are also welcome. In this class you will continue to learn to see as an artist does. Learning to draw is a process; letting go and trusting the process can be liberating and bring out your creativity. There will be demos and guidance with drawing exercises that will build on what you've previously learned. Direction will be offered, but students will be encouraged to experiment and develop their own style. You will need to bring a sketchpad, pencils, vine or willow charcoal, and an eraser to the first class. Space is limited so register today. The class will cost \$32.00 and is due at the first class. This class is open to all members. Call (860)434-1605 ext. 240 to sign up.
- Start the New Year out right; join us for a 6 week Yoga for Active Adults Class which will be held at 4:30pm on Wednesdays starting on January 6th. Pre-sign up is required. The cost of the class will be \$24.00 which will be due to the instructor at the first class and you will need to bring your own mat.
- On Thursday, January 7th at 10:00 am we will be starting a 6 Week Tap Dancing Class. This program will be taught by Bethany Haslam, owner of The Dance Center of Old Lyme. With 30 years of dancing experience in addition to choreographing over 20 shows and musicals, Bethany comes well qualified. The six week class will cost \$24.00 for the six week class. Money will be due at the first class. Preregistration is suggested as class size is limited to twelve people. Participants will need to bring tap shoes. This class is open to all members. For more information about this class or to register call (860)434-1605 ext. 240.

Upcoming Watercolor Class

This 8 week course will be offered starting Monday, December 14th from 10:00am - 12:00pm. This class will be taught by Sharon Schmiedel who has a BFA in painting from the Maryland Institute College of Art and spent many years working in technical illustration, medical illustration, and graphic design. This class is open to students of all levels. We will explore the basic watercolor techniques of working wet on wet, layering, and dry brush. The instructor will do demos and help students gain an understanding of how to use warm and cool colors, plus values to develop strong compositions. Once you learn the basics you can experiment and play with this medium to express your ideas with paint. The fee for this class will be \$32.00 and will be due to the instructor at the first class. This class is open to all members, but limited space is available. A minimum of 7 students will be needed to run this class.

First Class must haves:

Bring what you have for: Paper, Watercolor paint, brushes, palette, masking tape, sketch pad, pencils, cup for water, paper towels.

If you don't have any watercolor paint you can wait till after first class to purchase or buy the 3 tubes of paint listed below. If you don't have a palette, bring in a white ceramic or plastic plate. You must bring in some brushes (the larger the better), paper, pencils and the other items listed above.

Watercolor Supply List (we will go over in first class)

- Watercolor Paint: 3 tubes of paint, preferably raw sienna, alizarin crimson and ultramarine blue. Any brand is fine I like Winsor Newton. You can also substitute but pick one yellow, one red, and one blue. Don't buy pans, its challenging to get enough pigment.
- Watercolor Paper: Its fine to use what you have, I recommend Arches 140lb cold, hot or rough block. 9x12 or larger. You can use sheets but will need to tape to a board.
- Watercolor brushes: synthetic sables are cheaper and fine. Ideally a Round #18 and a flat wash of 1" or 1.5". You can bring your other brushes too.
- Watercolor Palette: whatever you have is fine, if none can just use plastic plate. I recommend Mijello Fusion leak-proof/airtight 18 slant watercolor palette. Pike palette is also good.
- Other supplies: Pencils, sketch pad, cup for water, masking tape, paper towels

**Some supplies available at Lyme Art Academy school store. Everything is available at DickBlick in New Britain, Jerrys Artarama in West Hartford or online at jerrysartarama.com, utrecht.com, and dickblick.com
