Set in Austria in 1938, *The Sound of Music* tells the story of Maria, who takes a job as governess to a Naval widower's seven children. She falls in love with the children, and eventually their father, Captain von Trapp.

This spirited, romantic and beloved musical story of Maria and the Von Trapp Family will thrill you with its Tony®, Grammy® and Academy Award® winning songs, including "My Favorite Things," "Do-Re-Mi," "Climb Ev'ry Mountain," "Edelweiss" and "The Sound of Music".
