Travel to the Valley of the Temples, in Agrigento, Sicily, where you'll see some of the best preserved ruins of ancient Greece. Among the countryside full of blooming almond trees are wonderful ruins of the temples that, in the course of time, kept intact their architectural magnificence. Seven major temples are found in this valley. The temples have a Doric style, with six majestic columns on the front side, except for the Temple of Olympian Zeus. The most impressive is the Temple of Concordia, built in 440 B.C. It is nearly perfectly preserved and has continued to be used over time. At night the illuminated temple is a sight to behold. Come see why the Greeks chose this site on a cliff a few miles from the ocean. Experience the beautiful ocean view and the soft, cool breezes.
