

PROVIDENCE-ITALIAN STYLE

Tuesday, July 9, 2019

This all-inclusive tour boasts Providence's heavy Italian influence while rotating your group thru three very unique experiences; including an incredible lunch prepared by our wonderful chefs on Historic Federal Hill! This one size fits all tour features:

1. Providence's **Historic Federal Hill** - a behind the scenes bakery tour will intoxicate your sights, smell, and of course your taste buds with the flavors of Italy! The world-famous Mario Batali describes Federal Hill as "One of the top Ten Little Italy's in America". You will see for yourself why!
2. The Italian influence continues as we thrill you onboard an original **Venetian Gondola**. Here you will experience the historical sights of the Renaissance City from a truly unique vantage point, gliding under the magnificent Venetian bridges while observing the illustrious beauty surrounding the Riverwalk.
3. You will then be greeted by your dynamic **Providence Tour** guide who will stroll with you through the heart of the beautiful Renaissance City exploring sculpture, architecture, and history all with a most interesting twist while showcasing the Italian connection!
4. The groups will then all be brought together once again to experience a delectable **Italian Style Lunch** on historic Federal Hill. Come and see for yourself why Travel and Leisure Magazine voted Providence as one of "America's Favorite Cities." There will be a choice of Fish, Chicken or Eggplant Entrée.
