

National Make Music Day

June 21, 2021, 2:00-4:00 (Monday)

Location: East Lyme Community Center

41 Society Road, Niantic, CT

Sponsored by East Lyme Senior Guitar Group

We, a group of acoustic guitarists who regularly play together, invite other guitarists, musicians and singers to join us for a 2-hour play along session outside the East Lyme Community Center.

All are welcome. Old and young. Just bring a chair, your new or dusty acoustic or percussion instrument, and or voices.

Come make music with us!
