

East Lyme Sr Ctr, Lyme's Sr Ctr & Waterford Sr Services presents:

Upon arrival in NYC enjoy a walk along **The High Line**, an elevated park created on a former raised railway. The High Line runs up the west side of Manhattan with an entrance near Chelsea Market. Because it is two-stories above street level it offers a unique view of the city. Your Friendship Tours Tour Director will set the stage for our visit

Following our time on the High Line we'll visit Hudson Yards, New York's newest neighborhood and home to 100 diverse shops. Lunch options include Food Trucks next to the Vessel,

the upscale Little Spain Food Hall or restaurants and fast casual eateries located in the Hudson Yards mall near the entrance to The Edge.

Experience **The Edge**, the highest sky deck in the Western Hemisphere located at **30 Hudson Yards**, with a one-of-a-kind design, it's suspended in mid-air, giving you the feeling of floating in the sky with 360-degree views you can't get anywhere else. Look 100 stories down from the thrilling glass floor, look out over the city on angled glass walls. **Beautiful views from inside as well as outside.**
